

**Eureka Envisioning Task Force
Minutes from June 4, 2003**

Meeting called to order at 6:30 pm. Present: Jody Arman-Jones, Mike Greco, Ray Kaufenberg (arrived 7:00 pm), Bev Topp. Not Present: Amy Nielsen, Bob Papke, Pat Steege, Randy Wood.

1. Mike distributed a transcript of the May 20, 2003 Town Board meeting (section dealing with Envisioning). Members present discussed how to respond to the questions and issues raised at the meeting. It was agreed that it would be best to respond with a written statement at the next board meeting, which a representative of Envisioning has been asked to attend. Mike suggested that all members of the task force should be present at that meeting. He will inform task force members of the date of that meeting via e-mail.

2. Brief review of revised pages for the report from last meeting. Ray had not yet seen a copy and will provide his comments before the next Envisioning meeting. Anyone else wishing to see and comment on a copy of the report before the next Envisioning meeting should contact Mike.

3. No date set for next meeting. Check e-mail in the coming week for possible dates for our next meeting.

Meeting adjourned at 8:40 pm

Respectfully submitted,
Mike Greco
