

Scenario Comment Form

This form provides an opportunity for you to offer feedback on the six core scenarios presented at Station Three:

- | | |
|----------------------------|------------------------------------|
| 1. Current Zoning Buildout | 4. Residential Cluster Development |
| 2. Town Center | 5. Suburban Progression |
| 3. 10-Acre Buildout | 6. 2.5-Acre Rural Estate |

Please take a moment to fill out this form and let us know your reaction to these growth scenarios. ***Please remember that the scenarios presented at tonight's open house are hypothetical growth scenarios only; they are not intended as recommendations or plans for future development in Eureka.***

1. After examining the six core scenarios at Station Three as well as the impacts that each one would have on the Township, which of these scenarios appeals to you the most?

Why?

2. Which scenario appeals to you the least?

Why?

(continued on back)

3. Do you have any other comments or questions about the scenarios presented at tonight's open house?

4. Are there other alternative growth scenarios you would like to see the township investigate? If yes, please describe them.

Thank you for your for your comments!
