

TDR Comment Form

A properly implemented transfer of development rights (TDR) program is one way to provide a balance between development and the protection of farmland, natural areas, and rural character in Eureka, and to allow landowners throughout the township to enjoy equity from their land.

We would like to know what you think of TDR based on the information you received at Station 4.

1. Do you think you understand how a TDR program would work based on the information presented at Station 4?

Yes No Not sure

2. Would you be in favor of the Township further studying the concept of TDR to learn more about how it might be used in Eureka?

Yes No Not sure

Please drop this form in one of the comment boxes located around the room
