

September 26, 1966

September 26 10:00 A.M.

Board met with 2 men who represented the M.N and S RR to look over the bridge and culvert problem caused by the water coming through the railroad culvert by O.W. Christensen.

These 2 men promised to take the matter up with their higher ups to help the township with part of the cost.

S.O. Steen (clerk)
